GENERAL CONDITIONS

Action Against Us - To take any legal action against us or our administrator under this contract, you must have complied with all terms and conditions of this policy, including procedures for claim set forth in the Claims section and Resolution of Disputes section. You have 24 months from the claim settlement date to proceed with an action unless state law requires a longer period.

Change of Ownership - If we approve, your pet’s coverage may be transferred when you transfer pet ownership by agreement or law.

Conformity to State Statutes - When any provision in this policy conflicts with the statutes of the state in which this policy is issued, that provision is amended to conform to such statutes.

Dual Coverage With Us - We will not insure your pet under more than one pet insurance policy during any policy period. If we find an insured has more than one such policy, coverage will be provided under the plan that has been in force for the longer period of time.

Excess Insurance Limitation - This policy is excess of all other valid and collectible insurance. If at the time of treatment, there is other valid and collectible insurance in place, we shall only be liable for the excess of the amount of treatment not covered by the other insurance, and otherwise eligible under this policy.

Non-Insurance Services - We may offer pet related non-insurance services for your pet, in addition to the insurance benefits. You will be notified of the availability and details.

Installment Payment - If you elect to pay your premium in monthly, quarterly or semi-annual installments, we will charge you the non-refundable transaction fee listed on the declarations page. This fee is waived if you pay annually.

Certain changes may result in a new enrollment, which would terminate your existing policy and will not be considered continuous coverage. A new enrollment will result in new waiting periods. Additionally, conditions that occur prior to this new enrollment will be considered pre-existing.

Promotional Items - From time to time, we may offer promotional items to show customer appreciation. Examples of such items are discounts, gift cards, related services and merchandise. The value of the promotional item will not be more than allowed by the state of your primary address.
